H. F. MARKER,
Executive Engineer.

MYSORE DIVISION.

Notification, 20th July 1933.

It is hereby notified for general information that the old Public Works Department Sub-Division Office building at Hunsur, Mysore District, will be sold by public auction at Hunsur on Monday the 6th September 1933 by the Executive Engineer, Mysore Division or his authorised agent. The description of the building to be auctioned and its area are noted below:

The conditions of sale are as follows:—

(1) The auction will commence at 3 P.M. and if not concluded on the same day will be continued on the next day also.

(2) No person is allowed to bid unless he deposits with the Officer conducting the sale a sum of Rs. 10 which must be deposited in the form of currency notes. The deposits of unsuccessful bidder will be returned immediately after the sale.

(3) The building will be knocked down to the highest bidder subject to the confirmation of the higher authorities who at his discretion may accept or reject the highest or any other bid without assigning any reason therefor. The Executive Engineer has the discretion to suspend the sale if proper bid is not forthcoming.

(4) The successful bidder shall at the close of the sale credit into the Hunsur Taluk Treasury to 17 (a) Public Works Deposits the entire sale amount including the deposit already made. In default the deposit will be forfeited and the building resold. Such resale will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by it, but will not participate in any profit occurring therefrom.

(5) If the sale is not confirmed the amount will be refunded.

(6) The successful bidder shall bear all charges on account of stamp paper and registration fees if he wants the sale deed to be executed and got it registered after the confirmation of the sale.

(7) Any further information can be had in the Office of the Executive Engineer, Mysore Division, the Sub-Divisional Officer, No. 2 Sub-Division, Hunsur.

DESCRIPTION OF THE BUILDING.

(1) Plinth area is 58½ x 39½ or 2301 S.ft.
(2) The walls are partly built of mud wall and partly of burnt brick in mud.
(3) It has Arcot tiled roof.

K. NARAYANA IYENGAR,
Executive Engineer.
